FOR IMMEDIATE RELEASE:

**FRANE PROMOTED TO GENERAL SUPERINTENDENT  
OF PRINCIPLE CONSTRUCTION CORP.**

(Bannockburn, Illinois –) Mark E. Augustyn and James A. Brucato, owners of Principle Construction Corp., are pleased to announce the promotion of Mark Frane from Senior Superintendent to General Superintendent of the firm.

“Since joining our firm, Mark has exemplified above standard performance in his role and we are very pleased to promote him to the position of General Superintendent,” stated Mike Long, Director of Operations. “His knowledge and expertise coupled with the enthusiasm he brings to the field, continues to contribute to the success of our growing firm.”

Frane joined Principle Construction Corp. in May of 2001 and was promoted to Senior Superintendent in May of 2005. Previous to his career at Principle, Mark was Carpenter Foreman and prior to that, he served in the U.S. Marine Corps from 1981-1988 where he reached the rank of Sergeant.

At Principle, Mark is responsible for managing project field operations and oversees the day-to-day operations of individual jobs. He is responsible for the coordination of subcontractor activities, safety enforcement, and material and equipment management. Noteworthy projects Mark has completed at Principle include: Power Nail, Lake Zurich - Experiencia, Chicago – Saratoga, Batavia – Revolution Academy Square, Waukegan and Suncraft, Naperville, IL.

He currently resides in Mundelein, IL.

Principle Construction Corp. is a leading design/build general contracting firm that has been serving the Chicago Metro, Southern Wisconsin and Northwest Indiana industrial markets since 1999. Specializing in the design and construction of manufacturing, warehouse and distribution, office, laboratory and food processing facilities, Principle has built a solid reputation for providing unsurpassed service to its clients and the ability to successfully complete even the most complex projects. Additionally, Principle has extensive expertise in expansions and additions, tenant improvements, site evaluation, due diligence and value engineering. Leading industry publications and professionals continually recognize Principle
