**PRINCIPLE CONSTRUCTION CORP. COMPLETES BUILD-TO-SUIT FOR  
SUNTRANS INTERNATIONAL IN ITASCA**

(Bannockburn, Illinois –) Mark E. Augustyn and James A. Brucato, owners of Principle Construction Corp., are pleased to announce the completion of a new 34,785 square foot build-to-suit industrial building for Suntrans International located at 1600 West Glenlake Ave., in Itasca. The distribution/warehouse facility is a relocation for the firm.

Established in 1988, Suntrans International, Inc. is a Freight Forwarder head-quartered in Chicago. The company has integrated branch offices and warehouses in New York, Houston, Los Angeles, San Francisco, and Canada. Suntrans International, Inc. does business as New World Freight System. This division was especially founded to handle all aspects in carrier transportation and logistic needs for the Hyundai Corporation in South Korea.

“The Itasca site presented a challenge relative to managing storm water. Principle Construction drew on its expertise, experience and creativity to design and construct a storm water management system that was within the project budget and schedule.” Says Alex Olen, Sr. Project Manager. “We tackled this issue and still brought this project from Ground Breaking to Occupancy in less than 4 months.”

Alex Olen was the Sr. Project Manager for Principle Construction Corp., and Cornerstone Architects provided architectural services.

Headquartered in Bannockburn, Illinois, Principle Construction Corp. is a design/build general contractor specializing in the design and construction of manufacturing, warehouse/distribution, office, laboratory and food processing facilities. Principle also has extensive experience in expansions/additions, tenant improvements, site evaluation, due diligence and value engineering and is committed to providing its clients with unsurpassed service.
